There was a recent letter published in the March Sun Views by Recreation Centers of Sun City Board of Directors President Gene Westemeier regarding the petition drive which caused confusion. To clarify, there are no petitions being circulated to recall the six board members.

There are two petitions which were approved by the RCSC that are being circulated lawfully. They will bring to a membership ballot vote two amendments to the RCSC Articles of Incorporation.

Petitions P-01 and P-02 will remove the board's power to recall board members or write bylaws, etc., without a membership vote, respectively. The members voted to put the board members on the board and should be the only ones to remove them from office. The board has lost the confidence of the members to "change the contract" since they ignored membership quorums protesting their actions and proceeded to raise the preservation and improvement fund fee from \$2,500 to \$3,000, eliminated membership meetings by raising the quorum to 3,600, hindered petition circulation by reducing the deadline from 180 days to 90 and removed the CCW permit holders' rights without providing security.

Additionally, the board refused to allow the circulation of these petitions on RCSC property which interferes with the action of the members contrary to the Articles of Incorporation.

You can come to us to sign the petitions at "the dog park" parking lot on North Thunderbird Boulevard near Del Webb Boulevard (La Ronde Centre Westside, next door to Washington Federal Savings).

You can pick up petitions and instructions and circulate them yourself at the UPS Send Me Store (near Tivoli Gardens, LaRonde Centre Eastside on Del Webb Boulevard and Talisman Road).

See you at the dog park!
