The policy that allows non-homeowner and underage non-resident employees to use the RCSC facilities provides an incentive to buy elsewhere and get a job here instead.

It's tantamount to the RCSC paying people to use the rec centers, golf courses, bowling alleys, etc. That would not make a great ad for Sun City. Even the part-timers can play golf here for \$2 which is less than the members' co-pay! How many members will not be able to get a tee time because a part-time employee took it?

With increases in our assessments as well as the PIF, and the removal of quarterly membership meetings due to the board's illegal increasing of the quorum, to hold the board accountable for their

actions, the membership must attend membership meetings until the quorum of 1250 is met. On Thursday, January 27, at 9 a.m. at Sundial Auditorium, the members can begin 2011 with member attendance. Jan Ek will be presenting the 2011 budget.

Ask her how much money they've allotted for attorneys fees. How much did they waste trying to cheat the Viewpoint Homeowners into illegal assessment increases? The RCSC lost the lawsuit yet took it to appeal and then lost that, as well. How much did they waste of the members assessments to pay for that?

The members are getting fleeced. Don't stand for it. Show up every quarter!

PUBLIC FORUM

BOARD APPOINTMENT

SAME OL' SAME OL': Carey Shore equals Craig Brown – against member outcry, both voted to increase the PIF to \$3,000 and the membership meeting quorum to 1,250. The members defeated Brown's re-election bid. In response, the board appointed Shore to fill a vacancy on the board. The RCSC is not listening to the members.
